

REVI LIVE - TECHNICAL RIDER 2025

ABOUT US

Today, with great effort and dedication, at REVI LIVE we are managing to carve out a niche among the great reference venues in Madrid for the public, artists, and critics, offering unique human and technical quality.

LOCATION

The REVILIVE venue is located in the ReviRock Studios complex, in the Madrid neighborhood of Vicálvaro. It features more than 40 rehearsal rooms, study rooms, 2 recording studios, a radio studio, and a chroma set. There is no better place to house one of the best venues in Madrid as its crown jewel.
